

Dear Sir or madam,

**RE: Member:**                    **William Frederick Thomas Smith**

Date of Birth                    11 May 1919.

Date of Death                    4 September 1997 (Aged 78 Years)

Address.                         Camden NSW 2570

Member Number                1234567

Mr Smith previously left instructions that in the event of certain events occurring, that his medical team were to comply with his pre-determined instructions, and also that a nominated person should send you this notification.

### **Instructions**

*Mr Smith recorded that he did not wish to be resuscitated in the event of a life threatening episode.*

*Mr Smith also recorded that he wished to donate his organs for transplant in the event of his passing.*

A copy of this notification has also been sent to Mr Smith's other nominated recipients, including his Extended Family, Funeral Parlour, Funeral and Life Insurance companies, and any Doctor, Lawyer, and Accountant.

Mr Smith also took advantage of uploading a "My Living Will" Video" into *My Life My Legacy*.

Now that a date of death has been entered, you are able to view any video inside *My Life My Legacy*.

Any communications should be directed to [Name] at [Number] or [Email]

Please do not hesitate to contact the undersigned should you need any assistance.

Yours faithfully

Solicitor. (Or Executor)
